Superintendent's Message

By associations with your friends, you have become aware of the importance of loyalty and co-operation. You have learned that to be successful in making lasting friendships and in making adjustments in various fields of endeavor you must have these and other desirable traits.

You have to be reared in an age which has been geared to speed and acceleration. But in all the rush you have not been deprived of an abundance of health, happiness, ambition, aspirations and opportunities. Although some may not have adequately used these opportunities for self-betterment, all have many and varied skills. Some are of great use now; others will be after further study and learning. With the assets you possess seek further prosperity and security. Use to the greatest extent possible your talents to become stronger individuals--physically, mentally, socially, and spiritually.

Norris City Loyalty

Here's to the CARDINAL and the WHITE,

Here's to our honor and our might;

Here's to our love of honesty,

And may our courage always be.

Here's to our alma mater brave,

And may her colors always wave

To name a victory----For Norris City,

And for the CARDINAL and the WHITE.

To The Seniors

The 1953-54 Cardinal Staff extends to the graduating class best wishes and sincere congratulations upon the completion of your educational career in the Norris City Community Unit #3.

We extend a challenge to you to always look ahead, take only the best in life and be a sincere friend to mankind.

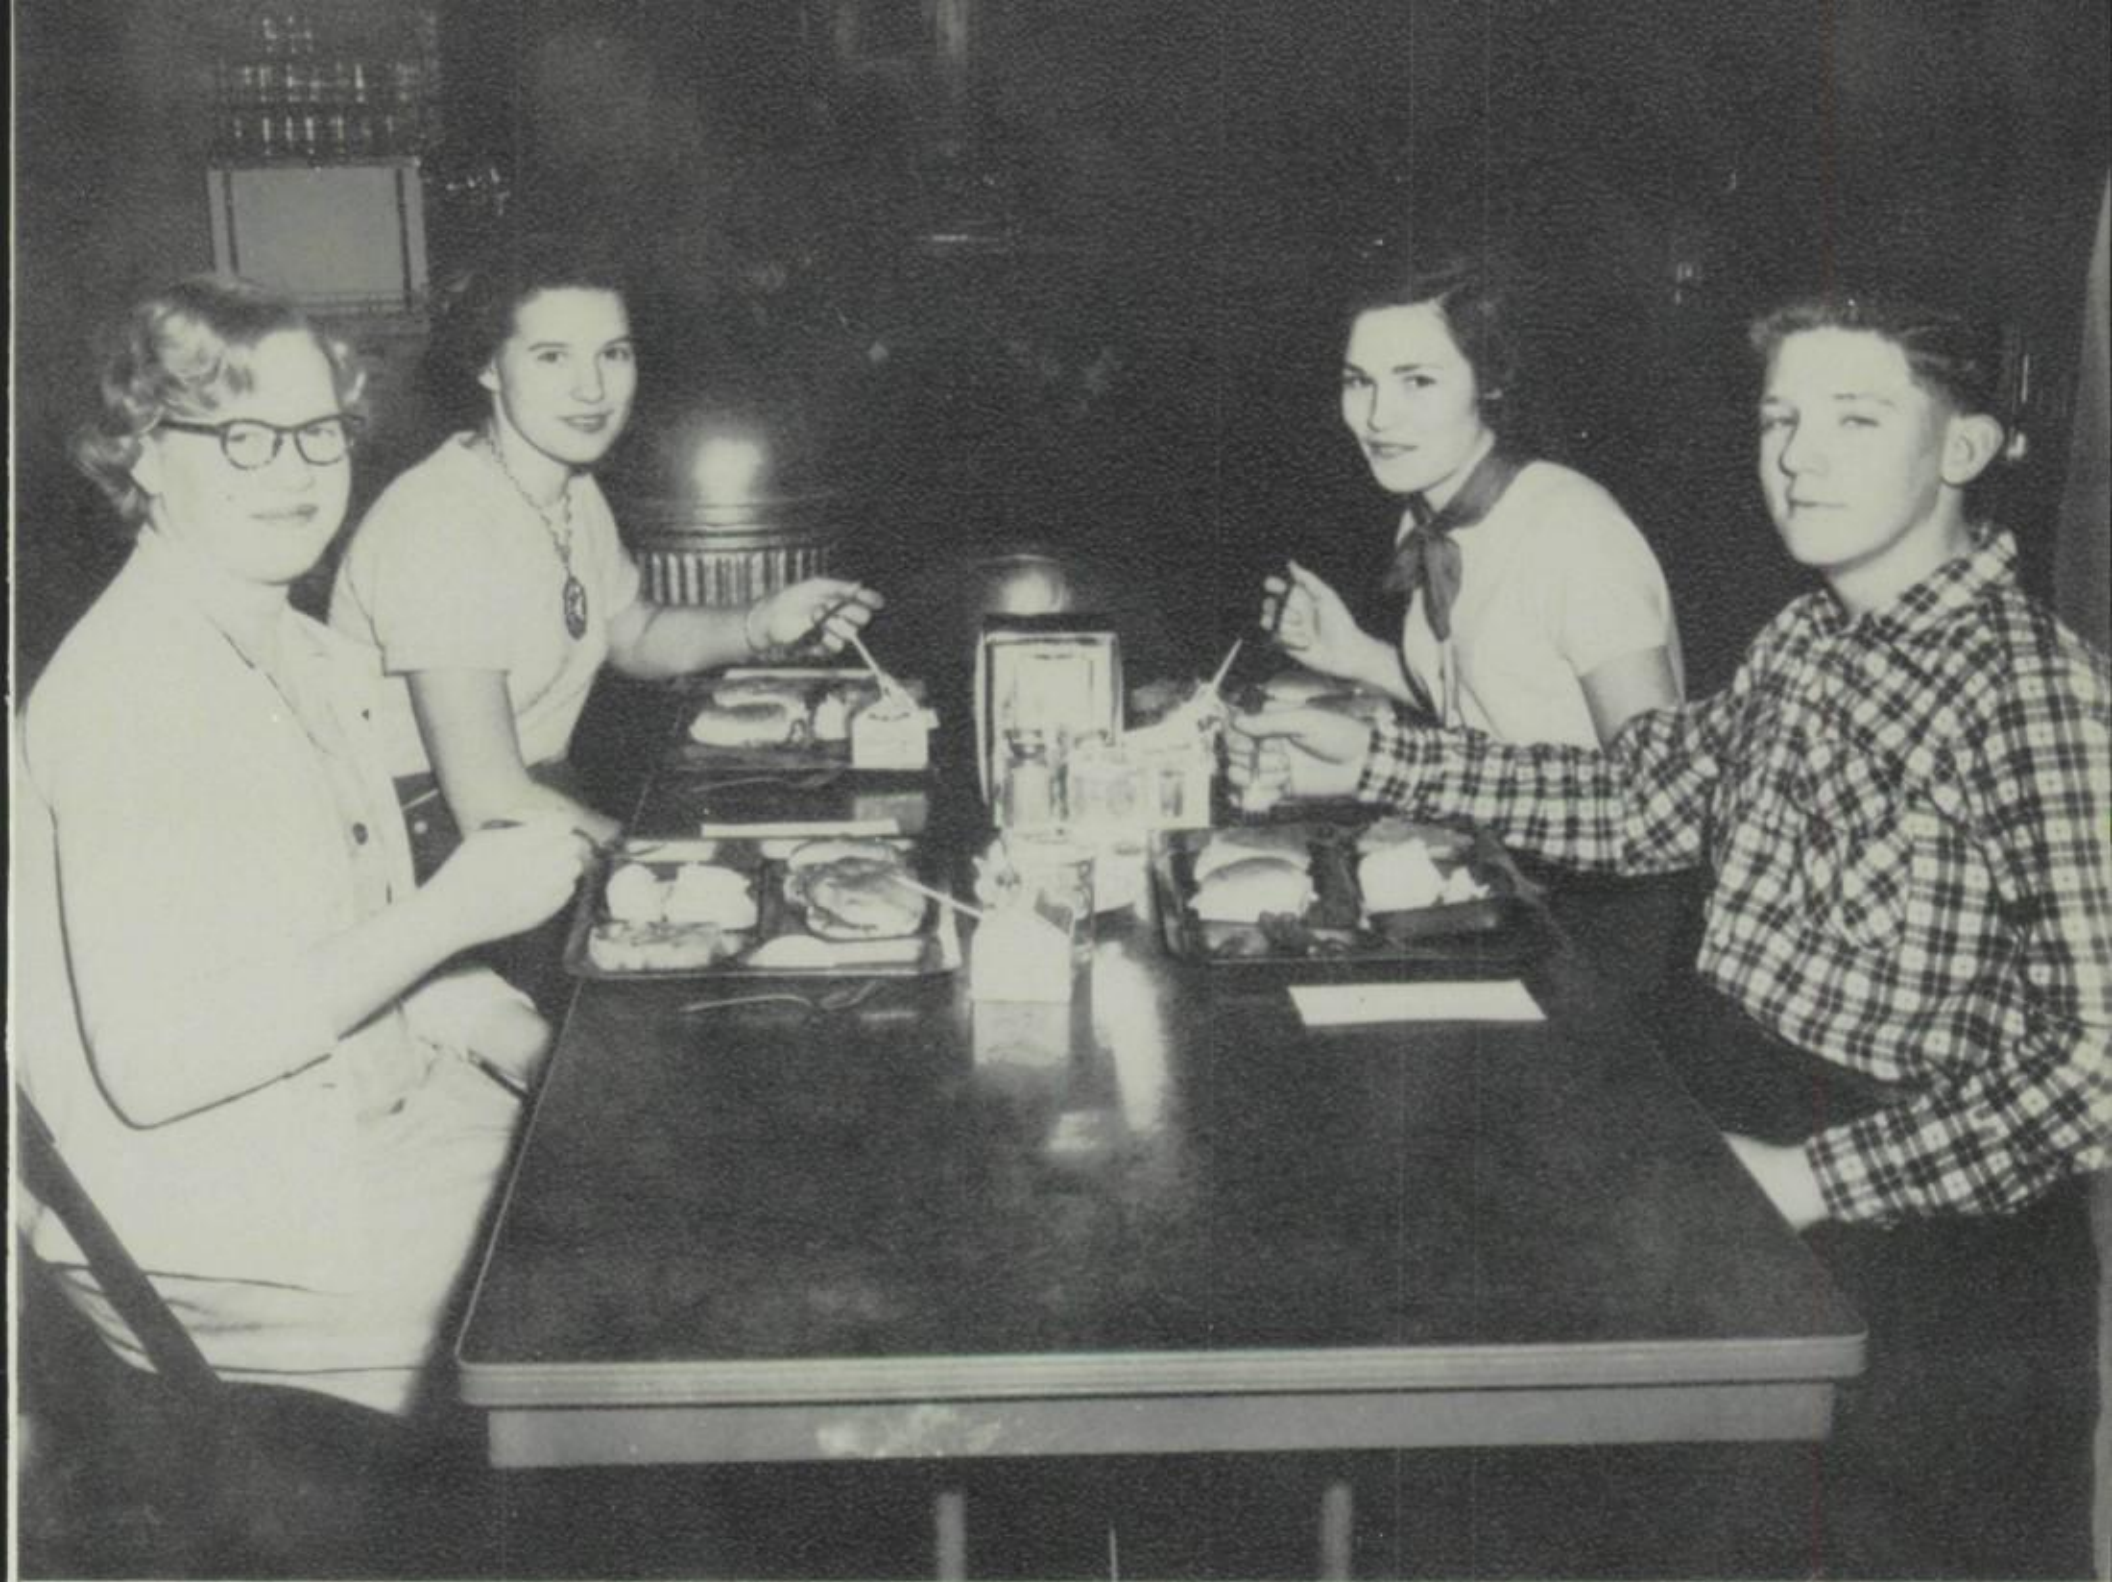

We above all charge you to heed the words Polonius spoke to his son saying:

THIS ABOVE ALL: TO THINE OWN SELF BE
TRUE, AND IT MUST FOLLOW AS THE NIGHT
THE DAY, THOU CANST NOT THEN BE FALSE
TO ANY MAN.

God speed to you and best wishes,

THE CARDINAL
